1. I am employed by Family Centered Services of Alaska ("FCSA") as its Executive Director, and have held this position since August 1999. I am over eighteen year of age, have personal knowledge of the facts, and am competent to testify hereto.

2. The State of Alaska, Office of Children's Services, Behavioral Rehabilitation Services Handbook (BRS) does not and has never applied to FCSA's Therapeutic Family Homes. The BRS Handbook applies only to residential facilities that are operated by organizations that contract with or receive grants from Office of Children's Services ("OCS") to provide housing and services to children in facilities identified in the contractual agreement. As FCSA does not contract with or receive grants from OCS to provide any services in its Therapeutic Family Home, its Therapeutic Family Homes are not subject to the BRS Handbook.

3. FCSA's Therapeutic Family Homes are not "Residential Psychiatric Treatment Centers" and are not required to have a Certificate of Need as a prerequisite to licensing.
